

# Choosing Green Festival

Saturday June 26, 2010

8 am-2 pm

Free Event

Historic Downtown Canton

Come See Presentations and Learn About:

- ✓ Residential Energy Savings
- ✓ Integrative Solar Design
- ✓ Solar Panels & Passive Solar
- ✓ Rain Garden Design
- ✓ Rain Water Harvesting
- ✓ Community Building with the Transition Initiative
- ✓ Bee Keeping
- ✓ Green Horticulture
- ✓ Demonstrations of bio-diesel and H<sup>2</sup>O-powered vehicles

The Festival will feature a trade show/home show area with local vendors whose businesses promote good environmental practices.

- 
- ❖ Building products
  - ❖ Energy services
  - ❖ New heating solutions such as geo-thermal heat pumps & solar power systems
  - ❖ Sustainable design
  - ❖ Green lifestyle
  - ❖ Local food options.

Environmental & Sustainable Lifestyle non-profit organizations will be there to provide information about how you can participate in activities benefiting your community and building a better world and all for free!

- Vendor Space Available
- Information contact: [info@choosinggreen.com](mailto:info@choosinggreen.com), or call 770-720-1048
